EDDIE FAIRBANKS

Whereof the young infielder is a real find for the Senators. He is a natural hitter and a good fielder. He is a real find for the Senators.

And the added joy of world series money and even being up there in the fight are denied him until the Braves are believed considerably or he is traded back to the Giants or some place else.

EAGLES are doing to win the first game of the Little World Series. While they have a good team, it can hardly compare with the brilliant line-up of stars on the Pirates outfit.

GOLF is looking out as a business getting according to National Trust new magazine.

Some of the habit of playing has become nearly universal among executives. It is a common interest in the sport no longer brings individuals to get together. It is a common interest in the sport no longer brings individuals to get together.

In the early days of the ancient Scotch game when golf players were few in number a common interest in the same hobby made them out of bankers and customers, lawyers and clients. Now golf—like all our business activities—serves merely to break down the formalities of purely business concern.

But a mere catalyst to play and is no longer enough to bring in business. In this sense the collateral advantages of golf have been diminished because the sport has been overdone. Popu- larity breeds indifference.

Incidentally, the tremendous expansion of facilities for playing golf in this country is leading to keep many men of wealth who formerly went abroad each year at home during the summer.

NICKELS ARE TRUMPS

A Good Cigar at 5c per 15 Winning Smokers Every where!

It's hard to believe that a cigar at five cents can be really mid-fragrant, satisfying. Plenty of them are advertised that way. And plenty of them have disappointed smokers who tried them out. Not strange that many men shy at low cost sellers.

But there is a cigar at that price which really satisfies. There is a cigar at that price which is made of rich ripe tobacco. A fragrant, mild and mellow cigar which has appealed to particular smoking men for thirty years. The name is Havana Ribbon.

Havana Ribbon couldn't please you more if it cost twice as much. And it couldn't cost much more if it wasn't made in volume. Say "Havana Ribbon" to the man behind the counter at any cigar store. All you need is a single nickel and a little faith. Your reward will come when you light up!

A Word to the Wise

It might be a good idea to do that repairing on the house now—before the rainy, fall weather sets in. A glance over the "Business and Professional Services" column of the Star will put you in touch with men who repair anything in your home from the roof to the basement. Do it now, before Fall.

Affection for President Comes to Surface in Capital

WASHINGTON, Aug. 22.—(By Charles P. Stewart.)—If anything of the kind ever happened in the history of the United States, it was the affection for President Wilson which came to the surface in the capital city today. The president's birthday, August 22, was celebrated in a most fitting manner. The city was filled with the spirit of the day, and the people of the capital were proud to honor their chief magistrate.

At the White House, the president and Mrs. Wilson were the center of attention. They received a large number of guests, and the celebration was a most successful one. The people of the capital were proud to honor their chief magistrate, and the day was a most fitting one.

The opening exercises will be held on Tuesday night, Aug. 29, with an address by Congressman James J. Hoge.

During the opening day, a steamer excursion to Canadian waters will be held. Wednesday will be ladies' day with trips to points of interest, including steamer rides to Put-in-Bay and the islands of Lake Erie.

A mammoth parade will be staged Thursday morning and a bathing beauty contest will be held that afternoon at the Casino at Cedar Point.

Location of officers will take place at one of the business hotels in the city. The officers of the state are: president, John W. Brown, of Columbus; secretary, John W. Brown, of Columbus; and treasurer, John W. Brown, of Columbus.
